

Above the Clouds --- Tibet Highlights

13 day tour to Chengdu, Lhasa, Shigatse, Gyantse, Tibet Railway Line & Beijing

Tibet is the ultimate destination for many travellers, with an altitude of 3650 meters (11,975 feet); Lhasa is one of the highest cities in the world. With the opening of the incredible train line from Qinghai Province to Lhasa, today the Himalayan Kingdom attracts the whole world. In Gyantse, Kunbum is a world treasure, adorned with 15th century Newari murals. Shigatse is the seat of the Panchan Lama; it draws pilgrims from all over the country. Lhasa is the pilgrims' and travellers' final destination, with bustling markets, sacred temples, and ornate palaces.

ABOVE THE CLOUDS, A MODERN MIRACLE

•The Railway runs 1970km from Lhasa to Xi Ning, the first even railway in Tibet.

•It is the highest railway line in the world, reaching 5072m at its highest point on the Tibetan plateau.

•The Railway work began in 2001, 7 tunnels and 286 bridges have been created along the line. The longest tunnel is 3km and the longest bridge spans almost 12km.

•The Railway is a modern-day miracle, a train that zigzags through perilous mountains and some of the world's most forbidding terrain to climb more than 4km above the sea level.

•Its 1260km of track crosses nearly 643km of permanently frozen earth which experts had deemed impossible to traverse by rail. Now a dream comes true!
