Day 2 Lima Meal: B/D
Today you will have half day Lima City Tour. The tour will begin with an exploration of Colonial Lima. First, you will stop at the Main Square where you can explore the square and admire the exteriors of the Government Palace, the Cathedral of Lima, and the City Hall, all examples of Lima's still-present colonial architectural opulence. You will visit the Cathedral of Lima, you'll travel to the past and discover various architectural styles (from Renaissance to Neo-Classical) and learn about the religious history of Peru. Our tour continues to visit San Francisco Convent built in the 17th century, and its "Catacombs" - ancient underground cemetery of Lima. Afterwards, we will head to the Pueblo Libre District and visit the Larco Museum, an eighteenth-century viceregal mansion that houses more than 3,000 years of Peru's pre-Columbian history. The museum boasts a supremely fine collection of gold and silver jewellery and worship paraphernalia that demonstrates the superb skill of ancient Peruvian gold and silversmiths. The Larco Museum also contains a famous collection of erotic ceramic tomb art that gives insights into various aspects of pre-Columbian sexuality. Finally, you will head to the most traditional of the residential zones of the capital: San Isidro and Miraflores. You will pass through the heart of the city's financial district in San Isidro and visit Miraflores, a perfect spot to enjoy the wonderful views of the Pacific Ocean. Return to hotel and dinner served at the hotel.

Day 3 Lima ✈ Cusco Meal: B
In the morning, you are transferred to the airport for your flight to Cusco. Upon arrival, met and transferred to your hotel. In the afternoon you will visit the Cathedral, considered the best repository of colonial art from the Cusco school and the circuit to Qoricancha ("court of gold", also known as the temple of the Sun), the religious and political centre of Cusco during the Inca era. Just outside the city is Sacsayhuaman ("speckled falcon"), the fortress above Cusco whose precise zigzags of massive stone remains unmoved by the centuries. This is the centre of the ceremonies for the famous Inti Raymi festival. Continue your visit to San Pedro Market, which is one-stop shopping for the traveller from grocery to souvenir; though the Mercado Central is largely dedicated for fruits, vegetables, meats and bread. Return to your hotel to rest. Overnight in Cusco.

Full day tour to Sacred Valley (Pisac market and Ollantaytambo)
You will visit Pisac, a picturesque town located 19.8 miles or 32 km. northeast of Cusco. It is famous for its colonial Church, where masses in Quechua are held every Sunday. In the colourful fairs you can find all sorts of handicrafts and the most important are the textiles and ceramic goods such as ceremonial goblets called "Q'eros", plates, ashtrays, necklace and replicas of pre-Hispanic pottery. After lunch, you will visit the remarkable fortress of Ollantaytambo, built by the Incas, also known as Temple Hill. The main access to the ceremonial centre is a series of stairways that climb to the top of the terrace complex. At this point, the site is

divided into three main areas: the Middle sector, directly in front of the terraces; the Temple sector, to the south; and the Funerary sector, to the north. Return back to hotel in late afternoon and overnight in Valle Sagrado.
